DOM SECURITY Strengthens its activity in Italy

Dom SECURITY announces the acquisition, by its Italian subsidiary Dom CR, of 73.87% of the capital of the family owned company Antipanic.

The company based in the north of Italy, near Bologna, is specialized in the manufacture of anti-panic locks for the European market.

At the end of last financial year, as at December, 31st 2017, Antipanic achieved a turnover of € 6.8M and employs 14 employees.

The balance of the shares will remain held by the sellers, who wish to accompany the purchaser.

The final implementation of the operation should take place at the end of September 2018, subject to usual conditions for this type of operation.
