Sfpi Group presents its annual results and reaffirms its strategic ambitions

Sfpi Group presented Wednesday, April 25 in Paris its annual results 2017.

Sfpi Group, specialized in the safety industry for people, goods and environment, announced sales of € 504.5 million at December 31st, 2017, up 6.1% from 2016, accelerating in the second half. According to Henri Morel, CEO and Founder: *"These results demonstrate the success of the operations carried out, the successful integration of acquired companies and our ability to benefit from the European recovery, for all of our operating divisions. These factors reinforce Sfpi Group's already strong financial health and validate its development model."*

At the occasion of this presentation, Sfpi Group also reaffirmed its strategic ambitions: continued controlled growth in its historical markets (building and industry), international acceleration, promotion of industrial responsibility, deepening digitalisation. *"We remain faithful to our proven model: organic growth supported by the recovery and development of industrial companies. It is this model that we affirm today at the international level, while remaining focused on our markets: building security and convenience, air treatment and energy saving."* says Henri Morel.

This presentation finally revealed the new corporate identity of the group. It aims to report on the international focus of Sfpi Group, expressed by its new signature, Safety for People and Industry. For Damien Chauveinc, Deputy Chief Executive Officer: *"This identity will support Sfpi Group's international activities and underline its value proposition."*
